

Hitler's tasters

MICHELLE KHOLOS BROOKS

Bring Hitler's Tasters to Edinburgh Fringe!

Help get us to Europe & give the
festival a "show worth tasting"!

PLAY

Hitler's Tasters is a dark comedy about the young women who have the "honor" of being Adolph Hitler's food tasters. Based on true events, the play explores the way girls navigate sexuality, friendship, patriotism and poison during the Third Reich.

PITCH

Hitler's Tasters is set in 1940s Germany, but the production has never gotten a taste of the European stage! With half of our funds raised, help us get to the end of finish line by funding the remaining **\$17,298**.

PLAN

After a successful run in New York City, we're taking our production to the 2019 Edinburgh Fringe Festival, renowned as the largest international arts festival in the world. We need help to bring our 7 person team (4 cast members and 3 production members) to Scotland and perform for the entire month of August!

PAY

- \$4,550** - Airfare
- \$5,670** - Meal stipends
- \$5,000** - Publicity + Marketing
 - Press rep, printing materials, ads
- \$500** - Rehearsal space
- \$200** - Baggage fees
- \$1,500** - Incidentals

STRETCH GOALS

Beyond our campaign goal, we have a stretch goal of an additional **\$9,509**:

- **\$18,298 - Bring a Stage Manager**

Raising this amount will allow us to bring our stage manager

- **\$24,298 - Dinner Time**

This amount will allow us a **\$60** a day food stipend - wiggle room needed with that exchange rate! (\$30 = current allotment)

- **\$26,807 - Jackpot**

For this amount raised, our stage manager can attend, our meal stipend can be **\$60** per person & we can cover additional fees!
